International Safety Management Code and Designated Person Ashore

This course has been designed by ISM experts to meet with the criteria of the IMO Guidelines contained in Circular MSC – MEPC.7 Circ. 6 (19 October 2007), but it has also been developed with much practical knowledge of both the shipping industry and the legal issues that surround the role of the DPA.

Become proficient in ISM Code matters, guidelines, applicable codes, standards, procedures by participating in ISM & Designated Person Ashore course offered by LiberoAssurance.

Price: **200,00 €**

E-Platform

Useful information for all e-courses

- ✓ Enrolment duration is 90 days from the date of purchase, so that you can study the material or take the exam whenever you have free time, within that period.
- ✓ Each course has different average number of private study hours required to read the whole material, for example a course may require up to 24 hours of private study, however this depends on your familiarisation with the material/subject.
- ✓ The courses basic structure follows the [demo course](#) where you can see all the steps on how to choose and buy a course, the material is PowerPoint presentation embedded inside the platform. Please note that this demo course is generic and not specific for the subject courses.
- ✓ All courses include downloadable material
- ✓ Exam is online with multiple choice questions, and you have three attempts.
- ✓ To get certified you must pass the examination within 3 months from the enrolment date.
- ✓ Upon successful completion of the exam you will be able to immediately download your digital certificate.

For any assistance please [contact us](#), our team will be happy to help!
